Brosville Brothers and Sisters,

I greet you in the name of Jesus Christ, our Lord. We are at the end of the year 2020. I feel I lost the year 2020 because of the COVID-19 pandemic. Many people had a difficult time. For example, some people lost their jobs, some lost loved ones, some were infected with COVID-19 - - so they were sick. Some older people have stayed home since March. Some students cannot go to school because of COVID-19. I see the news that many students are failing to fulfill the learning objective. Many churches do not gather in-person; instead, they provide worship services through drive-in or online.

I pray that the COVID-19 pandemic ends in the new year 2021 so people can return to normal life. I hope that people can have worship services in-person. People can go outside without a mask and gloves. The good news is that the COVID-19 vaccine is out. First, the essential frontline workers will begin to receive the vaccine. I pray that the vaccine works well.

When I look back to this year, 2020, I am thankful to the Brosville UMC family for support and prayers. Your prayers and support made it possible to do God's mission and ministry. We sent out about two hundred Christmas shoeboxes to the children in the world who are in need. We did on-line Bible School at home during summer vacation. We worshiped God through new ways like drive-in and online services. I am thankful to the Heath Church Team (HCT) that have helped with the drive-in worship services. We helped with the Community Holiday light show in Ballou Park. Even in a challenging time, we tried to do our best. I want to say thank you to the Brosville UMC family.

In the new year, 2021, I hope we can gather in the sanctuary without a mask and social distancing; we can hug each other without risk of the COVID-19; we can share the bread and the cup at the Lord's table; we can have a luncheon after Sunday worship service; we can have a community meal on Thursday evening. I miss all those things. Now they are not possible, but they will come soon.

I look forward to that day.

Blessings,

PASTOR INTEK

Thank You

I want to thank everyone for your prayers for me as I have been recovering from covid-19. I thank God that I was strong enough to battle this debilitating virus. I was not able to send out Christmas cards due to being sick. I thank everyone for the cards and well wishes. What an unusual Christmas season. I have missed our church celebrations so much. We serve a mighty God who continues to watch over us. May the coming new year be refreshing and filled with His blessings.

Love you all,
 Katherine

You are always so wonderful to me! I enjoy working with you and for you. Thank you for my Christmas Cards and Christmas Gift from the Church! May God bless you and keep you safe!

Love in Christ,
 Martha Doss
