Brosville Brothers and Sisters,

I greet you in the name of Jesus Christ. We are almost at the end of the year 2020. At this moment, I encourage you to count your blessings this year. Some people might complain that there is nothing to be thankful for. Think of something little in your lives. You may find many things to be grateful for. You most likely will be thankful that God has watched over your family.

Thanksgiving Day is coming! We give thanks to God for all things! In the letter to Thessalonians, Paul exhorts, "Be joyful always; pray continually; give thanks in all circumstances, for this is God's will for you in Christ Jesus (1 Thessalonians 5:16-18)." I pray that all are joyful always and give thanks to God no matter our circumstances.

Also, we may think about how much gifts and abilities God gives us. God entrusts talents to us. The parable of talents comes to my mind. When the master went on a journey, he gave five talents to one, two talents to another, and one talent to another. When the master came back, he settled the account with the three servants. He who received five talents gained five talents more, and he who received two talents gained two talents more. The master said, "Good and faithful servant," and expressed appreciation for the efforts and faithfulness.

However, the one who received one talent dug a hole in the ground and hid it. The master said that "Wicked and lazy servant. Throw him into the darkness, where there will be weeping and gnashing of teeth."

God gave gifts to each according to their abilities. In this world, people pay attention to the amount of money and talents we have. However, God is not interested in how much money we received, but in what we do with our gifts. Look at what you have in your hands! What do you have? Now is your turn to give it back to Him.

**Blessings,
Pastor Intek**

BRIDGE TO BRIDGE WALK

Like most events this year the Danville-Pittsylvania Cancer Association, Bridge 2 Bridge walk, became a virtual event. It normally takes place in April, but this year we had until November 1st to complete the Virtual 5K walk, which Will, Kris and I had signed up for. October 28th was the date we finally got around to completing our walk. As we where about to start it rained and rained. We could have stayed home. We felt it was important to actually do the walk, so we headed to the mall to walk there. Clare and Dylan completed the 5K run on Saturday, Oct. 31st. The Danville-Pittsylvania Cancer Association provided support and services to residents of Danville and Pittsylvania county. You can find out more information on the services at the following website <http://www.danpittcancer.org/>
